Career Objective

Aspiring Software Engineer passionate about building intuitive and engaging user interfaces. Committed to delivering seamless user experiences and continuously improving design and usability skills. Seeking a challenging role where I can contribute to impactful projects and grow as a professional in web development.

Skills

Frontend: React.js, Next.js, Tailwind CSS, JavaScript(ES6+) , HTML5, CSS3, Framer Motion, shadcn/UI

Backend: NodeJS, ExpressJS, REST APIs, MongoDB, Firebase, SQL (basic)

Tools & Deployment: Git, GitHub, VS Code, Postman, Figma, Canva, Netlify, Cloudflare, Vercel

Interpersonal: Communication, Teamwork, Self-learning, Time Management

Projects

BloodLink

[Live](#) — [Client](#) — [Server](#)

- A real-time blood donation management platform connecting verified donors with recipients to enable faster, location-based emergency support.
- Implemented search, filter, and verification features, increasing donor-recipient match rate by **70%**.
- Optimized backend APIs, reducing average response time by **50%** for data retrieval and request handling.

Tech Stack: React.js, Tailwind CSS, Firebase, MongoDB, NodeJS, ExpressJS, Framer Motion

Uplyft

[Live](#) — [Client](#) — [Server](#)

- Built a React-based community event management platform with secure authentication, protected routes, and role-based event ownership.
- Designed and implemented a responsive single-page application using modern UI patterns, including dark/light mode, skeleton loaders, and smooth animations.
- Integrated REST APIs for dynamic event creation, filtering, pagination, and user dashboards, ensuring efficient state management.

Tech Stack: React.js, Tailwind CSS, Firebase, MongoDB, NodeJS, ExpressJS, Framer Motion

Artoon

[Live](#) — [Client](#) — [Server](#)

- Built a full-stack digital art platform with **20+ artworks** uploaded.
- Responsive galleries, enabling smooth interaction on **all screen sizes**.
- Firebase storage and Node.js APIs, reducing image load time by **40%**.

Tech Stack: Next.js, Tailwind CSS, Firebase, MongoDB, NodeJS, ExpressJS

Education

B.Sc. in Computer Science and Engineering (CSE)

Expected Graduation: 2026

Daffodil International University, Dhaka

CGPA: 3.78 / 4.0

Courses & Certificates

Complete Web Development

[Certificate](#)

Programming Hero — February 16, 2026

Languages

- English — Fluent
- Bangla — Native
